

NEW PERFORMANCE OPPORTUNITY!

Beyond Face presents: An Evening of Early-Stage live Performance at Taunton Brewhouse, Friday 6th May 2022, 7:45pm.

We are now accepting proposals from South West-based global majority artists looking for a platform to share work in front of a live audience.

We welcome your art whether it's theatre, dance, spoken word, poetry, performance art, comedy or something multidisciplinary. Our only ask is that it is something which is performed live.

Artists will have slots of up to 20 minutes to showcase their work to a live audience. We will discuss with you in advance how best to gain feedback for your work if applicable. This may take the form of an audience q&a or specific/detailed feedback from Beyond Face. Beyond Face would also be happy to provide dramaturgical/mentoring support to artists if desired.

In addition to the scratch nights, as an artist performing in the scratch night you will have the opportunity to take part in a workshop the following day (Saturday 7th). Playspace will be a day to create and connect with others, perhaps building on the discoveries made during the performance the previous day. The idea came from a desire to create a space for artists to play, connect and stretch themselves creatively without the external pressures that come when you are devising/creating for a specific outcome.

Want to be part of this event or to know more?

Please email Corinne Walker, Artist Development Producer corinne@beyondface.co.uk with details about your practice, the piece you would like to share and where you are based by Midday Friday 22nd April.
