

## CALLOUT: Taunton Together Commission – Taunton Brewhouse

Taunton Brewhouse are seeking an artist or collective of artists to develop and present a creative project as part of the Taunton Together celebration. The project should explore and celebrate the **Tone River**'s role in Taunton's history, and comprise two parts:

- **A series of creative skills workshops** (approx. 3) with local young people to take place in August & September 2024. These can be in any practice area but will ideally allow the young people to create something they can take away with them. The sessions will be hosted at Taunton Brewhouse, who will also manage the recruitment of the young people.
- **A performance or presentation** at Taunton Together celebration day on 28 September 2024, to be presented 2-3 times throughout the day in an outdoor setting (this will most likely be tarmac, paving or temporary staging).

*Both parts should be thematically and practically linked, to represent a single cohesive project, e.g. a series of puppetry workshops and a puppetry performance, both exploring the Tone's wildlife.*
