GALLERY

BTC L3 FOUNDATION DIPLOMA IN ART AND DESIGN EXHIBITION

22 – 30 JAN

An exciting new collection of artwork by students on the L3 Foundation Diploma in Art and Design at Bridgwater and Taunton College, exploring objects as art and art as inspiration.

In collaboration with the Museum of Somerset, this exciting and new body of work seeks to create developing and specialised artwork from the varying stimuli in the collection at the museum.

The Foundation Diploma is a pivotal qualification which provides a transition from general education to specialist art and design education. The course consists of students who have finished their A Levels, adult learners, or students who are looking to transition into the arts in preparation for university.

JO SARGISSON EXHIBITION

1 – 27 MAR

Art is my passion. Oh the joy it brings, and a fire in my belly that nothing else can. The images dance and cavort in my mind, jostling for position until they fall exhausted on the paper or canvas.

I am in love with positive images that have the 'feel good factor', designs that bring a smile to me as I work and to the spectator as they absorb the creation.

My career as an artist started with school friends buying my drawings. After completing a diploma in Art and Design, I worked as a designer producing embroidery transfers and tapestries.

I have exhibited locally and nationally, with my work sailing across the oceans to Brazil, Australia, and The Bahamas.

Did you know you can hire our gallery? Email hire@tauntonbrewhouse.co.uk to discuss exhibiting in our space.
