## WELCOME TO OUR SUMMER SEASON

As I'm writing this, I can only dream of the lovely warm summer to come after the endless rain of winter this year. I'm looking out of my window dreaming of sitting in the sunshine at Hestercombe watching HandleBards present *Macbeth*, and at Castle Gardens where 440 Theatre will be joining us again with *A Midsummer Night's Dream*.

Keeping up our spirits until then are comedy legends Lucy Porter, Mark Watson, and Ed Byrne to name but a few.

We are also really excited to be marking Pride month in June with a number of special events. Working with local queer organisations and charities has been an absolute pleasure and we can't wait for you to join us for these.

Don't forget our studio Folk Series continues throughout the summer with intimate performances from the "Best of the West".

Although Christmas seems far away, we will be opening bookings for this year's winter show – *Treasure Island* – later this summer. Be sure to reserve your seats early so you don't miss out on this swashbuckling Somerset adventure!
