WELCOME TO OUR AUTUMN SEASON

After a blisteringly hot summer, we can now look forward to autumn leaves and crisp mornings with perhaps some late summer sunshine to enjoy.

It's been a really busy summer, and I have been so humbled by our community's generosity in supporting our Fit at 50 campaign. We raised over £20,000 which enabled us to unlock additional funding from Arts Council England. This will be used to upgrade our lighting in the Main House and Studio.

The programme for this autumn and winter is absolutely packed with exciting shows and activities. Lots of fantastic music and comedy, as well as family shows such as Dermot O'Leary's Toto The Ninja Cat and Dinosaurs Live. There are so many fun workshops and classes to get involved in this season too.

And finally, don't forget to book tickets for Treasure Island this Christmas. We are making it in collaboration with local creatives and partners, so it's going to have a real Somerset feel to it. A truly swashbuckling adventure for all the family!!

Will you risk everything for gold? Or is some treasure worth more than money?

Jim Hawkins is growing up in the historic harbour town of Watchet on the coast of West Somerset, but wants more from life than one day becoming the owner of the family B&B.

The arrival of a mysterious sailor and the treasure map he brings with him turns Jim's ordinary world upside down. Home comforts are soon a distant memory as Jim is aboard a ship bound for who knows where in search of stolen gold, sailing alongside a crew of colourful rogues, brave adventurers, and one utterly unforgettable, silver-tongued pirate: Long John Silver.

Digging for buried treasure brings many things to the surface and Jim must face a question that no map can answer.

Bursting with rousing folk music, crashing waves, daring adventures, and a great deal of laughter, this is a story about loyalty, courage, and the most important journey of all – growing up and working out what really matters.
